NEGRO DEAD AND SLAYER SURRENDERS

Saluda, June 1—Wade Abney the negro who was shot on Monday by Milledge Chappell of Newberry on A. L. Coleman's place ten miles north of here, in this county, died Monday night. The inquest was held yesterday. Chappell has placed himself in the custody of the sheriff of county. Application for bail will probably be made at once.

IS LET OUT ON BOND.

JAMES BUNDRICK CHARGED WITH VIOLATING PROHIBITION LAW.

Lexington, June 1—James Bundrick, the young white man of the Dutch Fork, who was arrested and lodged in jail a few days ago upon the charge of violating the prohibition law has been given his liberty upon furnishing a \$400 bond for his appearance at the general sessions court.

Bundrick is charged with selling whiskey at Spring Hill Lutheran church. It is stated that other charges may later be brought out.

This is the first case so far for violation of the prohibition law, but it is said that blind tigers are becoming numerous in some sections of the county, and more particularly at the court house right in the face of the county officials.

DISPENSARY SUITS MAY BE HANDLED

GRAND JURY EXPECTED TO TAKE ACTION IN GRAFT CASES.

DISCUSSION OF EVIDENCE.

INDICTMENT AGAINST GOODMAN MAY BRING UP IMPORTANT TESTIMONY SPECULATION IS RIFE.

Columbia, S. C. June 2—It is possible that indictments may be handed out today in several dispensary graft cases by the Richland county grand jury. The grand jury completed all business last week and it was announced that another meeting would be held during the present week.

Attorney General Lyon is out of the city in attendance upon the sessions of the national association of attorney generals and no statement has been made by him as to when and where the next dispensary trials will be held.

There has been much discussion during the past week as to the nature of the business of the grand jury at its extra meeting.

Speculation has been more rife since the announcement in the court that the two cases against Moton A. Goodman, the whiskey drummer, had been dropped. Goodman was charged with conspiracy to defraud the State out of over \$22,000.

Last year when the dispensary trials were in progress Goodman was needed as a witness. It is claimed that he left the State and that the prosecution was unable to make him return. However, at the time of the trials he was not present in the courtroom and was put down as "non est."

The grand jury is ordered to assemble on Wednesday next at the request of the Attorney General.
